

# Strawberry Packaging

Display your berries' freshness and quality with packaging that goes from snacking to club stores. With a proven track record supplying leading produce brands, Sonoco offers strawberry packaging in sizes ranging from pints to 4-lb clamshells.

## Our berry packaging offers:

- | Sidewall, top and bottom hole vents for fast cool-down
- | Insertable tubs and lids for volume weight adjustability
- | Designed for 5-, 6- and 8-down footprints

All are made in the USA with up to 100% tough recycled PET drink bottles and meet international resin codes as well as the sustainable packaging requirements of major retailers.

Sonoco now offers a broad portfolio of innovative packaging solutions tailored to the needs of the produce market—integrated with the technical innovations Sonoco has developed over more than a century. Sonoco can act as a single-source solution for all your produce packaging needs, with options ranging from flexible pouches and peel-reseal lidding, to plastic trays, tubs and hinged containers.
